

Hello Visitors from Reciprocal Yacht Clubs,

I would like to take this opportunity to thank you for your interest in possibly visiting our treasure here in Scarborough.

I believe we are all dragging ourselves out of a painful hangover beyond our control, what with Covid, high water and just getting back up to speed, it truly feels like we have been let out at recess back in the day.

I want to assure all that CBYC is locked and loaded for a terrific season, our 45th anniversary I might add. We have a busy season planned for our members but always welcome our friends from visiting clubs with open arms. We offer reciprocity as your home club offers in slips vacated by our members travelling with spaces along our shore walls.

In our quiet park setting, you might enjoy a walk to our local beach, many kilometres of park are available to wander, keep your eyes open for wildlife abundant here. A quick Uber ride gets you to local food and other essential services, I wouldn't recommend a walk up the hill unless you train for marathons. Peace and Quiet is offered here at CBYC in abundance.

Keep in mind when visiting we have an exceptional Restaurant and Bar open Tuesday to Sunday, each day at 4:00 except Friday at 12:00. Weekends they are open for breakfast each morning and are well known around the lake for quality and ambiance.

We look forward to your visit and are thankful that we all, around the lake can finally enjoy one of most unique and satisfying experiences unrestricted. Reciprocity lives.
